FIRST FAITH

PERFECT BLEND OF NATURE & SCIENCE

Thoughtfully selected botanical ingredients.
Purposeful cosmetic actives.
Modern formulations.

At First Faith, we believe effective skincare is not about choosing between nature and science — it is about bringing them together thoughtfully.

From Rice Water, Oat, Green Tea and Centella to Niacinamide, Hyaluronic Acid, Ceramides, Alpha Arbutin and Snail Mucin, our formulations combine botanical ingredients with purposeful cosmetic actives to create a modern skincare experience.

OUR APPROACH

- **BOTANICALS** — Inspired by nature and selected for their skin-conditioning properties.
- **ACTIVES** — Purposeful cosmetic ingredients chosen for specific skincare roles.
- **FORMULATION** — Balanced combinations designed for a sensorial and functional skincare experience.
